October 15, 2026
Respect Board Members,
SWAN Österreich,
Austria.

Dear All,
Namaste and Greetings from SWAN Nepal!

I trust this email from Nepal finds you well.

On behalf of SWAN, I would like to share the second -phase project progress report of Ensuring Quality Education of Shree Dewal Basic School in Tumcha, Humla.
I am excited to share that the impact of the project on the school has been increasing positively and significantly. Since the project intervention, the quality of teaching and learning practice has gradually improved. Teachers have gained confidence in their teaching abilities, and the school environment has become more engaging, inspiring, and motivating for both students and teachers.

SWAN's field staffs regular monitoring and follows up have played a vital role in supporting students, teachers and School Management Committee (SCM) to strengthen their efforts toward improving the quality of teaching and learning. These continued efforts have contributed to creating a more supportive and effective learning environment.

SWAN team would like to sincerely thank you Ms. Verena Schuster-Schedlberger, Principal of Europagymnasium Baumgartenberg and entire school family for their contribution to run the project.
Attached herewith, please find the report for your reference. I hope you will be happy to learn how the progress work.

Thank you!

With best regards,

Kalpana Karki
Program Director
Social Welfare Association of Nepal (SWAN),
